Reference: **G-Box ATF Far East**

7th October 2009

Confidential

Dear Mr Treskov,

As requested I am writing to confirm that in my judgement, **G-Box ATF Far East** blended using _____ weight treat rate in _____ or _____ base stock, can meet or exceed the known performance requirements of the following automatic transmission fluids and OEM specifications:

JASO M315 1A
Toyota Type T-III and T-IV
Nissan Matic D and J
Mitsubishi SP-II and SP-III
Mazda ATF D-III and ATF M-3
Honda Z-1
Hyundai and KIA ATF
GM DEXRON[®] IIIH (and earlier revisions)
Ford MERCON[®]
Allison C-4

Aisin and Jatco manufactured step type automatic transmissions used in European Vehicles, e.g. Volvo, Opel, VW, Renault, Fiat, Porsche

This opinion is based on comparative testing of automatic transmission fluids blended with _____ and commercially available OEM approved fluids, as well as testing at various independent research laboratories.

Sincerely,

Mark Jones
Assistant Director
Driveline and Industrial CTS - Europe
